Just Food Stories :: Episode 14 - Hell’s Kitchen Farm Project

This week on Just Food Stories, Ali and Jacquie bring in Anthony Reuter to talk about his rooftop farming project, Hell’s Kitchen Farm Project. There will be an open house this Saturday at the location in Manhattan from 10am-3pm, so everyone in New York should go check it out! This program has been sponsored by Heritage Foods USA. Today’s music provided by The California Honeydrops.

"That's why the farm project was started, we wanted to really get more fresh produce to the food pantry." [22:00]
